FR-N1

Self healing - Self meshing

Technical Specifications

Radio: 802.11g/n 2.4 GHz

Speed: Typical transfer at a rate of 3.5 – 4.2 Mbs
(Typical bandwidth for 300Mb file)

Antenna: 2 x 2.4GHz

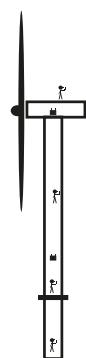

Power supply: POE (POE injector inc)

Temperature range: 0°C to + 50°C

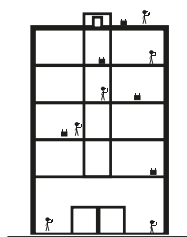

Dimensions FR-N1: 220mm x 160mm x 100mm

Weight FR-N1: 1kg

Certifications: FCC (US) IC (Canada) CE (Europe)
